STUDENT HIGHLIGHTS

We kicked off the year strong with an amazing Culture Camp, helping our students build community, learn school expectations, and set a positive tone for the year ahead. We have officially begun our beginning-of-year assessments, including KRA for our newest learners and i-Ready testing across the grades to pinpoint exactly where to support each student's growth.

Everyone has been doing a fantastic job settling into classroom routines, showing focus, and truly getting back into the swing of things. We are so proud of our students' hard work and look forward to carrying this great momentum forward!
