IVSA Newsletter

July Edition

We hope that your student(s) have been enjoying their IVSA Summer courses or the IVSA Summer Bootcamp. We are at the halfway mark for both programs and I know that our teachers have been enjoying working with the students this summer. See below for some highlights.

AROUND THE WORLD WITH IVSA: 7 CONTINENTS IN 7 WEEKS

Be sure to ask your student about their travels this week in the IVSA Summer Bootcamp. The students are traveling the globe this summer, all while learning more about Math and Reading.

SUMMER SCHOOL COURSES

American Sign Language: has your student enjoyed learning a new "language" this summer?

Career & Technical Education: has your student explored a new avenue such as the Business Pathway, IT Pathway, or Health Sciences Pathway?

Music & Art Courses: IVSA offers both of these options for your student.

Workplace & Internship Readiness Course: your student can get credit to work!

If your student did not get the opportunity to take one of these courses this summer, they are also offered for Fall 2024!
