

CANTON COLLEGE PREPARATORY SCHOOL

101 Cleveland Ave. NW, Canton OH 44702 | 330.455.0498 | cantoncollegeprep.org

Dear Canton College Preparatory School Families,

It is with great excitement and gratitude that I introduce myself as the new Principal of Canton College Preparatory School for the upcoming school year.

My name is Emily Berbelis, and I am honored to continue serving the students, families, and staff of our school in this new capacity. Canton College Preparatory School has been my professional home since its very beginning. As one of the founding teachers when our school opened in 2013, I have had the privilege of watching our school grow and thrive over the past thirteen years.

During my first eleven years at Canton College Preparatory School, I served as a classroom teacher in both third and fourth grade. Those years allowed me to build meaningful relationships with students and families while helping children develop both academically and personally. For the past two years, I have served as the Director of Academics, working closely with teachers and staff to support student achievement and strengthen instructional practices throughout our building.

In addition to my academic roles, I have also enjoyed coaching volleyball and track for our students. These experiences have reinforced my belief that education extends beyond the classroom and that extracurricular activities play an important role in developing teamwork, perseverance, leadership, and character.

As a lifelong resident of Canton, I am deeply invested in our community and the success of its children. I earned both my Bachelor's Degree and Master's Degree from Walsh University, and I am proud to continue serving the community that has shaped so much of who I am today.

As Principal, I am committed to maintaining the high expectations and supportive environment that make Canton College Preparatory School such a special place. I believe that strong partnerships between families, students, and staff are essential to student success. Together, we will continue to provide a safe, nurturing, and challenging learning environment where every child can reach their full potential.

I am truly excited about the opportunities ahead and look forward to working alongside our dedicated staff and wonderful families. Thank you for your continued trust and support of Canton College Preparatory School. I cannot wait to welcome everyone back for another successful school year.

Sincerely,

Emily Berbelis
Principal
Canton College Preparatory School

SPARTANS WILL.
