Dear Canton College Prep Families,

As I prepare for the upcoming school year, I wanted to take a moment to share some important news with all of you. After serving as Head Principal of Canton College Prep for the past two years, I will be transitioning into a new role and will no longer serve as your principal.

While I am excited about this next chapter, leaving this position is certainly bittersweet. The students, families, and staff of Canton College Prep have made these past two years some of the most meaningful and rewarding of my career. It has been an incredible honor and privilege to serve this school community.

To our parents and guardians, thank you for your partnership, trust, and unwavering support. Your dedication to your children's education and your commitment to our school have helped create a positive and thriving learning environment. I am deeply grateful for the relationships we have built together and for the countless ways you have supported our students, staff, and school.

To our students, please know that each of you holds a special place in my heart. Watching you learn, grow, overcome challenges, celebrate successes, and develop into outstanding young people has been one of the greatest joys of my life. I am incredibly proud of all that you have accomplished and all that you will continue to achieve in the future.

Although I will be moving into a new role, my support for Canton College Prep and its students will never change. I will always be cheering you on, and I will always be here whenever needed. The memories we have shared and the connections we have built will remain with me forever.

Thank you for allowing me the opportunity to be part of your educational journey. I sincerely appreciate your continued support of the amazing work being done at Canton College Prep. I am confident that the school will continue to grow, succeed, and provide exceptional opportunities for every student.

I wish each of you a wonderful school year filled with success, growth, and happiness.

With heartfelt gratitude,

Mr. Corner
Head Principal
