

---

**Dear Students, Families, and Community Members,**

I am excited to welcome you to the **2026-2027 school year!** We hope you have enjoyed a safe, restful, and enjoyable summer, and we look forward to partnering with you for another successful year of learning and growth.

The **first day of school is Tuesday, August 18, 2026**, and we cannot wait to welcome our students back into the building. We also invite you to join us for our **Back-to-School Carnival on Thursday, August 13, from 6:00 p.m. to 8:00 p.m.** This fun-filled evening is a wonderful opportunity to meet our teachers and staff, learn about the upcoming school year, reconnect with friends, and celebrate the start of another exciting year together. We hope to see all of our families there!

**Looking Ahead to the 2026-2027 School Year**

This school year, our focus will be on ensuring every student has the opportunity to succeed academically, socially, and emotionally. We have established three key initiatives that will guide our work throughout the year:

- **Increasing student attendance to an average of 90%.** Regular attendance is one of the strongest predictors of academic success. When students attend school consistently, they build stronger relationships with teachers and peers, stay engaged in learning, and are better prepared for future success. We encourage families to partner with us in making attendance a top priority.
- **Closing learning gaps in reading and mathematics.** Our goal is for every student to demonstrate at least one year's academic growth during the school year. Through high-quality instruction, targeted interventions, and ongoing progress monitoring, we are committed to helping every child reach their full potential.
- **Strengthening family involvement.** We know that students achieve more when schools and families work together. This year, we will provide additional opportunities for family engagement through school events, volunteer opportunities, communication, and partnerships that support student learning both at school and at home.

Together, these initiatives will help us continue building a school community where every student feels supported, challenged, and inspired to achieve their best.

Thank you for choosing **Case Preparatory Academy!** We are honored to serve your family and look forward to working together throughout the school year!

Sincerely,

**Jamon McClain**  
Principal  
**Case Preparatory Academy**
