

August 2026

Dear Students and Families,

Welcome to a new and exciting school year at Cleveland Primary Sports Academy (CPSA). We are thrilled to greet those joining us for the first time. This year promises to be filled with opportunities for academic growth, personal development, and meaningful connections within our vibrant school community. Our dedicated teachers and staff have been preparing engaging lessons and activities to ensure every student feels supported and inspired. We encourage you to explore your interests and embrace the chance to make new friends. At CPSA, we believe every student has unique talents and potential. Our goal is to create a safe, nurturing environment where students feel confident taking risks, asking questions, and growing both academically and personally. Open communication between families and teachers is essential, and we invite parents and guardians to actively engage in their child's learning journey. This year, we have exciting initiatives planned, including curriculum enhancements and technology integration to enrich your experience. Please take note of important dates, including orientation sessions, parent-teacher conferences, and school events, to make the most of the year ahead.

Remember, each student is the author of their own story. Embrace challenges, celebrate your achievements, and enjoy every moment of this adventure. We are excited to see you shine and look forward to a year of learning, laughter, and growth together.

With warmest wishes for a successful and joyful school year,

Fumiko Crews, MSW

Principal

Cleveland Primary Sports Academy
