

Hello CATA Families,

I hope everyone is having a wonderful summer! I have been busy preparing for another great year of Oasis Before & After School Care.

This school year will look a little different for me. With my daughter starting high school this fall and a busy sports schedule, I will be serving only as the Oasis Coordinator and will not be working before or after school shifts. Don't worry—you will still be able to reach me anytime through ClassDojo or email, and I will continue overseeing the program.

To help ensure we are ready for a successful school year, I am sending the Oasis Interest Form to our current Oasis families this week. Next Friday, it will be opened to all current CATA families, and in August it will be available to new families.

****Please note:**** This is ****not**** the official enrollment form. This interest form helps us determine how many staff members we will need and how many students we can accommodate for the upcoming school year. Once staffing has been finalized, I will send official enrollment links. Enrollment invitations will be sent in the order that interest forms are received.

If you are interested in having your child attend Oasis this school year, please complete the interest form using the link below:

Thank you for your continued support. I look forward to another amazing year with our Oasis families!
