

Franklin Learning Academy
2026–2027 School Year Welcome Letter

Theme: “Planting Seeds for a Bright Future”

Dear Franklin Learning Academy Families,

Welcome to the 2026–2027 school year!

It is with great joy and excitement that I welcome you to another wonderful year at Franklin Learning Academy. Whether you are returning to our school family or joining us for the very first time, we are honored that you have entrusted us with the privilege of educating your child during these important early years.

At Franklin Learning Academy, we know that Kindergarten through Second Grade is a time of tremendous growth. The lessons learned, the relationships built, and the confidence developed during these years create the foundation for future success. That is why our theme for this school year is **“Planting Seeds for a Bright Future.”**

Just as a gardener carefully plants and nurtures each seed, we are committed to cultivating the unique gifts and abilities within every child. Through high-quality instruction, small-group learning opportunities, meaningful family partnerships, and a nurturing environment, we will help our students grow into confident learners, compassionate friends, and thoughtful leaders.

Our dedicated staff is committed to:

- Providing engaging and rigorous instruction that meets the needs of every learner,
- Strengthening literacy and mathematics skills through intentional teaching and support,
- Creating a safe, caring, and welcoming environment where all children feel valued,
- Encouraging curiosity, creativity, and a love of learning, and
- Partnering closely with families to ensure every child has the opportunity to thrive.

Families are a vital part of our school community. The seeds we plant at school flourish best when they are watered with encouragement, support, and involvement at home. We encourage you to stay connected through regular communication with your child’s teacher, participation in school events, and celebration of your child’s accomplishments throughout the year.

As we begin this exciting journey together, I encourage our students to come ready to learn, explore, ask questions, and do their very best each day. I encourage our families to continue walking alongside us as partners in your child’s education.

Thank you for choosing Franklin Learning Academy. We are excited to watch our students learn, grow, and blossom throughout the year. Together, we will continue **Planting Seeds for a Bright Future**—one child, one lesson, and one act of kindness at a time.

I look forward to an amazing school year filled with growth, discovery, and countless reasons to celebrate.

With gratitude and excitement,

Ms. Burton

Principal

Franklin Learning Academy
