

Dear Huron Sports Academy Family members,

I trust you are enjoying a relaxing and safe summer. Our 2026/2027 School year will begin on Wednesday, August 12, 2026. We are looking forward to a new year full of exciting educational opportunities and growth. There is a significant amount of information that needs to be shared as we approach our journey to a successful year. This correspondence contains basic information which will aid you in planning for the new School year. Arrival breakfast will be served from 7:20 a.m. to 7:45 a.m. Classroom instruction begins promptly at 7:45 a.m. Our scholars will be considered tardy if they arrive after 7:45 a.m. The school day will end at 3:15 p.m.

School Meals Program- Free Breakfast and lunch will be provided for all scholars during the first week of School. Determination for participation in the Free or Reduced Priced Meal Program will be sent home during orientation or the first week of School and any associated fees will be fully implemented during the second week.

Dress Code- Students should come to School wearing any plain colored polo shirt or plain T-shirt with no logos. Each student will receive 2 HSA shirts which can also be worn for school. Pants or skirts may be worn, but no jeans, ripped clothing, tank tops, or crop tops shirts. Athletic shoes should be worn every day to participate in athletics. Sandals, crocs, or flip flops should not be worn to School. If a student wears boots in the winter, they should have a pair of athletic shoes to change into for P.E. class. Students who do not comply with the Dress Code policy will be given a verbal warning and a notice sent home. If the student repeatedly violates the dress code, the parent will be contacted.

School Closing Announcements- There are occasionally situations in which it is necessary to close the school. Huron Sports Academy airs school closings on local news channels, by email, phone calls, and class Dojo notification.

Contact Information- It is imperative that we always have updated contact information. Please ensure that information changes are reported to the school office and your child's classroom teachers. Other information such as your pick-up list and emergency information should also be kept updated. We need to be prepared and able to respond efficiently in an emergency. When a change of address form is completed, the state requires proof of residency to be submitted too. Remember, a change in address will not affect your students' enrollment with Huron Sports Academy; however, we are required by the state of Ohio to continuously update them for our student records.

School Correspondence, please check your student's backpacks and/or folders daily for notices and announcements from the school. We often send reminders and flyers regarding upcoming events to keep our family members aware of school activities.

Classroom teachers also send vital information about classroom activities and academics home regularly. As a school, teachers will use Class Dojo as a communication resource.

Look out for the invite sent to your cell number on record the first week of school. Thank you for entrusting us with your child's/children's education and welcome to the 2026/2027 school year!

Sincerely,

Brice Wilson

Principal Huron Sports Academy
