

Dear Inkster Preparatory Academy Families,

Welcome to the 2026–2027 School Year!

We are excited to welcome our returning families and those joining the IPA family for the very first time. We have missed our scholars and cannot wait to begin another year of learning, growth, and success together!

At Inkster Preparatory Academy, we believe every child deserves an excellent education, meaningful opportunities, and a school community where they feel safe, supported, and inspired to achieve their dreams.

The 2025–2026 school year was one of our best yet, and we are proud to share that **IPA surpassed our NWEA Growth Goals in BOTH Reading and Mathematics!** This success reflects the hard work of our scholars, the dedication of our staff, and the support of our families. Together, we are proving that great things happen when schools and families work as a team.
