

Welcome Back, Admirals!

Dear Lorain Preparatory High School Students, Families, and Staff,

Welcome to another exciting school year at Lorain Preparatory High School! As I begin my third year serving as your principal, I am filled with gratitude, pride, and excitement for the incredible journey that lies ahead. Over the past two years, we have built a school community grounded in perseverance, respect, and excellence. Together, we have celebrated achievements, overcome challenges, and created opportunities for every student to succeed.

This year, we will continue to raise the bar. Academic growth remains at the heart of everything we do. Every lesson, every assignment, and every challenge is an opportunity to learn, improve, and prepare for a successful future. I encourage each student to set ambitious goals, stay committed to their education, and take pride in their progress—no matter how big or small.

Learning extends beyond the classroom. I encourage every student to build meaningful friendships, participate in school activities, and embrace opportunities to grow as leaders within our Admiral family. Positive relationships, kindness, and respect for one another help create the supportive environment where everyone can thrive.

As we move forward together, let's continue making positive strides each day. Whether it's improving attendance, demonstrating integrity, showing resilience, or lending a helping hand, every positive choice strengthens our school community and helps us reach even greater heights.

The safety and well-being of every student and staff member will always remain a top priority. Together, we will continue fostering a school environment where everyone feels welcomed, valued, respected, and secure. By working together and looking out for one another, we ensure that Lorain Preparatory High School remains a place where every Admiral can learn with confidence.

As always, we are committed to continuing that tradition of excellence and ensuring every senior crosses the graduation stage prepared for college, careers, military service, or the next chapter of life. I look forward to another year of growth, achievement, and unforgettable memories. Together, we will continue to chart the course toward success and prove that Admirals are prepared to lead with courage, character, and excellence.

Thank you for being an important part of the Lorain Preparatory High School family. Let's make this our best year yet!

With Admiral Pride,

Principal Evans

Lorain Preparatory High School
