July 1, 2026

Dear Northeast Ohio College Prep High School Students, Parents, Guardians, Teachers, and Staff,

It is with great excitement and gratitude that I introduce myself as the new Principal of Northeast Ohio College Prep High School for the 2026-2027 school year.

For more than twenty years, I have had the privilege of serving students and families in education. Before beginning my career in education, I proudly served in the United States Army for over eight years. The values I learned through military service—integrity, leadership, service, and perseverance—continue to guide me as an educator and leader.

Last year, my wife and I, who have been married for nearly 30 years, made the move to Ohio from Texas. We are excited to call Northeast Ohio home and become part of this wonderful community. We have two daughters and a son-in-law, and family has always been at the center of our lives. When I am not at school, I enjoy traveling, spending time outdoors, and exploring new places.

As principal, I am committed to creating a school environment where every student feels valued, supported, challenged, and inspired to achieve their goals. I believe that strong schools are built through strong partnerships between students, families, teachers, staff, and the community. I look forward to getting to know each of you and learning about the unique strengths and traditions that make Northeast Ohio College Prep High School such a special place.

I want everyone in our school community to know that my door is always open. I welcome your comments, concerns, ideas, and suggestions. Open communication and collaboration are essential to student success, and I value the perspectives of all stakeholders as we work together to provide the best possible educational experience for our students.

I am honored to serve as your principal and excited about the opportunities that lie ahead. Together, we will continue to build a culture of excellence, respect, accountability, and achievement for all students.

Thank you for welcoming me into the Northeast Ohio College Prep High School family. I look forward to meeting you throughout the school year and celebrating the many successes we will achieve together.

Sincerely,

Daniel Lockler
Principal
Northeast Ohio College Prep High School
