

≡Welcome≡

Dear Families,

Welcome to Sagewood Preparatory Academy!

I am excited to start a new school year that is filled with opportunity, growth, and discovery. At our school, we believe that learning is most meaningful through student-driven instruction, where we empower every learner to take ownership of their journey, set goals, and strive for excellence. We value creativity and curiosity as essential tools for exploration. Whether through hands-on projects, open-ended questions, or artistic expression, our students are encouraged to think critically, imagine boldly, and learn deeply. We strive to foster a dynamic and inclusive learning environment, where every student is actively involved in their growth—intellectually, socially, and emotionally—leading to successful outcomes both in and beyond the classroom.

Most importantly, we believe in the power of courage meeting compassion. We challenge our students to be brave in the face of learning, kind in their interactions, and strong in their sense of self and community. I'm excited for the journey ahead and proud to walk it with you.

Let's make it a great year—together.

Sincerely,

Amanda Garner, M.Ed.
Principal
