

Welcome Back to School!

Dear Students, Families, and Community Members,

On behalf of the entire staff at Western Toledo Spring Meadows, I am delighted to welcome you to the 2026–2027 school year! We hope you enjoyed a safe, relaxing, and enjoyable summer break. As we begin a new school year, we look forward to partnering with our families and community to support the success of every student.

The first day of school is **August 12, 2026**, and we are excited to welcome our students back into our classrooms. We also invite you to attend several exciting events before the school year begins:

- **Gaming Club Summer Event – July 20–23, 2026, from 12:30 p.m. to 3:30 p.m.**
Everyone is invited to attend and participate in gaming activities, meet new friends, and experience the exciting opportunities our eGaming program has to offer.
- **Back-to-School Open House – July 21, 2026, from 3:30 p.m. to 6:00 p.m.**
- **Back-to-School Bash – August 10, 2026, from 3:30 p.m. to 6:00 p.m.**

These events provide wonderful opportunities to meet teachers and staff, learn about the upcoming school year, reconnect with our school community, enjoy family-friendly activities, and get excited for the year ahead.

Looking Ahead to the 2026–2027 School Year

This year, Western Toledo Spring Meadows is excited to embrace **eGaming** as our school-wide theme. Through eGaming, students will have opportunities to develop critical thinking, teamwork, communication, problem-solving, and digital citizenship skills that are essential for success in today's world. Our goal is to use the excitement and engagement of gaming to inspire learning, build positive relationships, and create meaningful educational experiences across all grade levels.

We are also excited to announce several enhancements to our eGaming program. Over the summer, we have expanded our eGaming room with the addition of **3D printers**, allowing students to explore design, engineering, creativity, and STEM-based learning opportunities. We have also added **new gaming systems and games**, providing students with even more opportunities to engage, collaborate, and develop valuable skills through educational and competitive gaming experiences.

In addition, we are proud to announce a new partnership with Kool Kat Science. Kool Kat Science provides students in grades K–7 and their families with innovative, hands-on Science, Technology, Engineering, and Mathematics (STEM) experiences regardless of socioeconomic status. Through this partnership, our students will have opportunities to participate in engaging STEM activities that encourage curiosity, creativity, problem-solving, and critical thinking. Kool Kat's programs allow students to explore challenging STEM concepts in ways that are often not possible in a traditional classroom setting, helping to inspire the next generation of scientists, engineers, and innovators.

Together, our expanded eGaming program and partnership with Kool Kat Science will provide students with exciting opportunities to explore technology, engineering, design, coding, teamwork, and innovation while preparing them for future academic and career success.

In addition to our eGaming and STEM initiatives, we remain focused on academic excellence, student growth, and fostering a positive school culture where every child feels valued, supported, and challenged to achieve their best. We look forward to providing innovative learning opportunities that encourage creativity, collaboration, and perseverance throughout the school year.

Our Commitment

At Western Toledo Spring Meadows, we believe every student can achieve great things. Our dedicated teachers and staff are committed to providing high-quality instruction, building meaningful relationships, and maintaining a safe and welcoming environment where students can learn, grow, and thrive.

Thank you for choosing Western Toledo Spring Meadows. It is a privilege to serve your family, and we look forward to a year filled with learning, achievement, and memorable experiences. Please review the enclosed materials for important information regarding school policies, supply lists, dress code expectations, and upcoming events.

Together, we will make the 2026–2027 school year one of growth, innovation, and success. We look forward to seeing you soon and making this our best year yet!

Warm regards,

Kevin Ball
Principal
