

Dear Wright Preparatory Academy Families,

Welcome to another exciting school year at Wright Preparatory Academy!

I am so excited to welcome everyone back for **Year 2** as your principal for the 2026-27 school year! As I reflect on my first year at Wright Prep, I can't help but smile. It was a year filled with growth, laughter, learning, and unforgettable memories. I truly enjoyed getting to know our incredible teachers, amazing scholars, and supportive families, and it didn't take long for me to realize that being a **Panther** means being part of something very special. I am incredibly proud to call Wright Preparatory Academy home, and I can't wait to see what we accomplish together this year.

As we begin another school year, our mission remains the same: to help every scholar grow academically, socially, and emotionally while creating a school where every child feels challenged, supported, and celebrated. We'll continue to embrace our Panther Pillars or "CLICKS" each and every day:

-  **Courage** – Having the confidence to face challenges and do what's right.
-  **Leadership** – Leading by example through responsibility and integrity.
-  **Invincible Grit** – Working hard, persevering, and never giving up.
-  **Creativity** – Thinking outside the box and embracing new ideas.
-  **Kindness** – Treating everyone with respect, compassion, and care.

These aren't just words we teach—they're the values we strive to live every day as a Panther family.

I also want you to know how much I value the partnership between home and school. Your voice matters, and I encourage open communication throughout the year. Whether you have a question, concern, an idea to share, or simply want to celebrate your child's successes, please don't hesitate to reach out. You are always welcome to call the school at **(234) 207-5455** to speak with me or schedule a meeting. If you're dropping your scholar off in the morning, you'll often find me outside greeting students and families—I always enjoy saying good morning and connecting with you!

Thank you for trusting us with your children. It is truly an honor to serve as your principal, and I look forward to another year of learning, growth, collaboration, and Panther pride.

Here's to another incredible year together. Let's make it our best one yet!

Panther Strong. Wright Built.

With gratitude,

Erica D. Hill, M.Ed.

Principal

Wright Preparatory Academy
